MEMORANDUM NO. 2010-127

TO: School District Superintendents

FROM: Darlena Schlachter, Consolidated Grants Manager
Federal Programs Division

DATE: July 16, 2010

SUBJECT: Summer Camp Announcement

INFORMATION TO SHARE

This is an announcement to inform you of the 4th Annual Federal Programs Summer Camp occurring August 3-4, 2010, in Casper.

What is Summer Camp? We, at the Wyoming Department of Education (WDE), set aside the first week in August to conduct meetings and sessions devoted to the administration of Federal Programs. Because district administrators wear several hats when it comes to these programs, we try to conduct annual meetings and informational/sharing sessions at one time and place so it is convenient for district personnel. The content of these sessions and the information shared is beneficial to the efficient and effective operation of your federal programs. If your program staff is unavailable or cannot attend, please consider sending support staff in their place.

This year Summer Camp will be held at Casper College in Casper, WY, on August 3rd-4th in the World Physical Science Building. Tuesday and Wednesday sessions will run from 9:00 AM – 5:00 PM. We are excited to have Dr. Tricia Coulter, Deputy Director of the National Comprehensive Center for Teacher Quality, speak during our opening session on Tuesday. She will give us the latest news and educational trends regarding Teacher Leader Quality.

The cost of the registration will be \$25 per person for both days and will cover a continental breakfast and afternoon snacks. Lunch will be on your own.

Registration forms have been sent to district federal program staff along with hotel and direction information. Registration is due July 23. If your district has not received a registration or you would like one sent, please contact Chelsie Bailey of the WDE Federal Programs Division at 307-777-6208 or cbaile@educ.state.wy.us.

See you in August!
